We Lost a Friend

Tony Tamantini passed away January 25, 2011. We often had the pleasure of seeing him with his “great niece” Ariana here at the range. He will be missed.

Chamber Flags

Safety is always #1 at the range. We want to thank the shooters for purchasing and using mandatory chamber flags. It’s a good feeling when returning from down range and knowing guns have been opened, cleared and you see those yellow chamber flags. Remember, you can purchase chamber flags in the office for only .50 each.

Rain Mud & Wind

That's what the Target Masters had to deal with for their **Glock** match March 19th and 20th. Can you believe they had 225 guns and it was a great success? Well it was! They had to pump water for more than two days. They have reserved the range for March 24-25, 2012 to do it again. Well done to all involved.

Old West

The River City Regulators hosted their fifth annual Cowboy Action Shooting match, The Plainfield Incident, March 31 – April 4, 2011 and for three days they looked the part, dressed the part and shot the part.

Marshall (President) Brian Garlick said they had full posses and had a great time. We look forward to seeing them next year.

50/50/50

The Triple 50 Fun Shoot is back. That's 50 trap, 50 sporting clays and 50 skeet. Awards, raffle prizes, lunch and multiple classes. So right now, mark your calendar for Sunday August 28, 2011 and watch the web site for an application.

The Dark Side

Another date to remember is August 20, 2011 when the Yolo Frontloaders will be presenting a Black Powder Seminar. More fun at the range! Mark that calendar!
